GRAND OPENING WEEK!

ANDERSON'S BAZAR!

Never before has this Popular House been so well prepared to please its customers in Prices and Styles as it is this Season

DRESS GOODS Were Never so Lovely,
Shoes were NEVER so Cheap,
Clothing was NEVER so NOBBY!

And bargains in all lines have never been so great. The prices in many lines of goods being but half as much as that asked in former seasons. Don't fool your money away on high priced goods. Remember, that it is easier to make five or ten dollars by bringing your family to Hartford to buy their Spring bill than it is to make two dollars at hard work at home. In these times of scarcity every discreet person will make their money go as far as possible. A small amount will buy a large large bill of goods at present Bazaar prices. Remember, you get later styles in all kinds of Ladies' wear at this house than you can any where else in this country. Next week we propose to give a list of prices on several lines of goods that will make people open their eyes. Call and look whether you wish to buy or not.

S. W. ANDERSON, Proprietor.

PERSONALS.

Persons in town having visitors or any other item they would like in this column would confer a favor if they would inform this office. The town is not very large, but one hand can't get all over it every day and run a newspaper.

Mr. R. C. Nall, of Owensboro, was in town several days last week visiting friends.

Prof. and Mrs. Alexander went to Central City last Saturday, and returned Sunday.

Mrs. A. Dunham, of McHenry, is visiting her daughters, Misses Nettie and Nellie, who are attending College.

Capt. J. R. Hudson, of Adair county, candidate for Lieutenant Governor, was in town this week. Our people were very favorably impressed with his appearance, affability, etc.

Capt. Sam Hill, of Owensboro, came over Sunday to visit his family and attend some legal business.

Mrs. Maggie Dean, left Monday for her home in South Carrollton, after a visit of two weeks in this place.

Mr. C. W. Slack, of Owensboro, was here the week in the interest of the Southern Mutual Life Insurance Co.

Dr. J. E. Haynes, formerly of this place, and Mr. Landrum, of Falls of Rough, were in town last week. Dr. H. is teaching and practicing in California at present.

Jas. Cate, Esq., of Henderson, was in town last week. His goods are known all over the country as the very best, and we hope he will build up a good trade in this section.

Dr. John C. Hoover who has very recently graduated at the College of Physicians and Surgeons, Chicago, was in to see us Monday. He has obtained his sheepskin and will probably hang a shingle in Glenview, McLean county. We wish him all the success in the world.

—Pay's Toothache Drops cure in one minute.

—Mrs. Reuben Gross and child, near Magnolia, have small-pox.

—Born—Sunday, April 1st, 1883, to the wife of Kil Carson, near town, a boy.

—The largest assortment of fishing tackle, guns, pistols and sporting goods ever seen in Hartford is now at Williams Bros.

—Persons having business in Hartford need not be kept away by any fear of smallpox. There is not a case in ten miles of the place and we now have no fear of its reaching Hartford anytime.

—Better clothes you never wore, than those you find at Gilstrap's store.

—Cut and made in nobbly style, and cheap enough—we'll we should smile.

Exchange Emporium, Cromwell, Ky.

—Judge James Tinsley, of Rockport, an account of whose illness from smallpox appeared last week, died last Thursday morning. As yet, we have heard of no new cases, and it is thought there is little danger of any further spread. As at present advised, there is but one case now in the county. That of young Frank Kirtley who contracted it at Evansville.

—Considerable excitement prevails in Point Pleasant neighborhood on account of smallpox. Frank Kirtley, of that neighborhood, contracted the disease in Evansville and came up on the Bowling Green to Point Pleasant and went into a store there and staid a couple hours with considerable fever. From there he went to Mr. G. W. Barnard and lay on a bed there and went home and broke out with the disease.

—Brogan shoes, of any size, Boots, both cheap and fine, Ladies' shoes, we advertise, And children's shoes, a handsome line, At Gilstrap's Exchange Emporium, Cromwell, Ky.

—Remember the Hartford Water Mills are now in first class condition and prepared to do work in the best of order and with dispatch. We still grind for one-eighth toll in both wheat and corn. Grinding every day in the week except Saturday which is sharpening day. Flour, meal and bran constantly on hand at lowest prices. Will be prepared to card wool at opening of carding season. We are thankful for past favors and solicit a continuance of patronage, believing we can give perfect satisfaction. Respectfully,

JNO. R. & WM. PHIPPS.

—Mr. A. T. Nall has christened his popular school "The Office" and hereafter when a man invites you to the office don't think that he wants you to go to a musty room, but the most popular school in Hartford.

—Another misce occurred in Sherrod & Neafus barroom Saturday night. More Hindson tried to make another man drink and he refused, when Hindson drew his knife and struck at him. The man dodged and Hindson fell over him, turning the screen over and breaking a large pane of glass in the door.

—Thos. F. Johnson informs us that a skull bone of a man was found in a cave near Wilsons mill, with a bullet hole in the left temple. It appears not to have been there for a great while, in fact most of the bones of a human body was found in the cave, the hogs had just torn them up from the debris in the cave.

—My nephew, Jake Small, will sell you goods cheaper than was ever bought in this town. HENRY SMALL.

—We dropped into King's stable Monday, and we are free to say we never saw such a jam around a stable or anywhere else. Every stall and every available foot of ground about the building had a horse latched on it. What does it all mean? That the people know King feeds well and takes proper care of their horses. A customer of King once a customer all the time.

—At the close of last week Prof. J. D. Reuder, teacher in the Commercial Department of Hartford College, tendered his resignation. He has returned to Butler county where he will enter the canvass as a candidate for Clerk of the Butler Circuit Court. During a stay of seven months with our people Mr. Reuder so endeared himself to them that they feel the keenest regret at losing him, and we are confident that he has the good will of every citizen of Hartford.

—Mr. Chapman Crow, has removed his saloon to his residence.

—Although Monday was a very disagreeable day, there were a goodly number of the yeomanry at County Court.

—The town trustees should take proper steps in case of any threatening of an outbreak of smallpox amongst us. See the law on this subject in this paper.

—A bogus smallpox remedy is going the round of the papers. It is sulphate of zinc sugar and water. Somebody will lose his life trying the remedy and will find out when too late that it is not good.

—Rev. G. J. Bean, was called to preach a funeral last Sunday and consequently could not fill his appointment at Cromwell. Rev. Lewis Voyles was expected to supply his place Sunday night.

—The best assortment of goods at lowest price at Henry Small's.

—The post office at this place was closed until 5 o'clock last Wednesday, out of respect to Postmaster-General Timothy O'Hare whose funeral occurred on that day. The closing was the result of a general order to all the post offices in the United States.

—Mr. F. W. Little has left a specimen of stock corn with us. He says that he shelled seventy-two ears and the corn weighed 62 pounds. This is the best yield we have ever heard of, as the corn was not selected for size. Mr. Little has a large quantity for sale and farmers would do well to try it.

Opinion of eminent Dr. H. R. Walton, of Annapolis, Md.: "Golden's Liquid Hop Tonic is a most excellent preparation. The Bad and Worthless.

Are never imitated or counterfeited. This is especially true of a family medicine, and it is positive proof that the remedy imitated is of the highest value. As soon as it had been tested and proved by the whole world that Hop Bitters was the purest, best and most valuable family medicine on earth, many imitations sprang up and began to steal the notices in which the press and people of the country had expressed the merits of H. B., and in every way trying to induce invalids to use their stuff instead, expecting to make money on the credit and good name of H. B. Many others started nostrums put up in similar style to H. B., with variously devised names in which the word "Hop" or "Hops" were used in a way to induce people to believe they were the same as Hop Bitters. All such pretended remedies or cures, no matter what their style or name is, and especially those with the word "Hop" or "Hops" in their name or in any way connected with them of their name, are imitations or counterfeits. Beware of them. Touch none of them. Use nothing but genuine Hop Bitters, with a bunch of cluster of green Hops on the white label. Trust nothing else. Druggists and dealers are warned against dealing in imitations or counterfeits.

A Life Doubly Assured.

A resident of Bangor, Maine, writing to C. N. Triton, New York, for a supply of Hale's Honey of Horehound and Tar, mentions incidentally that three months ago a New England Life Insurance company refused to grant him a policy on the ground that he was consumptive. "But," he adds, "thanks to the healing properties of that invaluable preparation, my lungs are now perfectly sound, and I yesterday passed a medical examination without an objection, and insured my life for \$5,000."
